SPECIAL OFFER
FLAGS FOR THE
FOURTH OF JULY

"OLD GLORY" SHOULD DECORATE
EVERY HOME IN TONOPAH
ON NATAL DAY.

The Fourth of July will soon be here and Tonopah people will feel inclined to decorate their places of business or residences when the date arrives. The Bonanza has received a consignment of flags that will be offered to subscribers at a bargain.

Flags five feet wide and eight feet long together with a six months subscription to the Bonanza will be offered for \$10. The same flag four feet wide and six feet long with the six month subscription is offered for \$8.50. The colors are warranted fast. The seams are felled and double sewed. Each flag is accompanied by an eight foot varnished pole, with ball and truck, halyards and galvanized iron bracket with screws.

This offer will remain in force until the present supply of flags is exhausted.

MEDICAL MEN STATE THAT
TURKEY TROT DANGEROUS

Medical men in Philadelphia have treated many society women and men with an inflammation of the muscles of the thigh caused by excessive turkey trotting. The surgeons who have studied the muscular affection say the disease is due to what they term "sartorius," which gets its name from the longest muscle in the body, the "sartorius," which extends from the pelvic bone to the attachment at the inner side of the knees.

Invariably the patients have shown physicians their limbs and this muscle was so badly strained that they were advised to keep off their feet until the injury had healed. The women were all affected on the right leg, while the men were strained on the left leg.

Surgeons say that this is because the turkey trot is a one-step affair and following the steps of the dance the women bear down on one side and the men on the other.

CHANGE IS MADE
AT CARSON BANK

At a meeting of the directors of the Carson Valley bank, held in this city yesterday, Mr. M. D. Fairchild tendered his resignation as cashier to accept an official position with The Nixon National bank of Reno.

H. C. Clapp, formerly of Goldfield, was elected as cashier to succeed Mr. Fairchild. Mr. Clapp is a man of mature years and has had years of experience in the banking business holding positions of trust in some of the large banks of the eastern cities, before entering the banking field in Nevada, and for the past five years has acted as cashier in the bank at Goldfield, Nev.

NICHOLSON REFUSES.

WASHINGTON, June 27.—President Wilson will withdraw his nomination of Meredith Nicholson, the Indiana novelist, to be minister to Portugal. When objections were raised to the nomination of Nicholson on the ground that he was not a good democrat, the novelist urged the president to withdraw his name if it embarrassed him politically, but the president declined to do so. Mr. Nicholson has insisted on the ground that he cannot take his family abroad.

AMUSEMENTS

Butler Theatre.

At the Butler this evening an excellent program will be shown as follows: "Cinders," a Vitagraph drama; "Love in the Ghetto," which the Selig company presents; "A District Attorney's Conscience," a Lubin drama. This special offering grips strongly, keeps the attention hammered on the screen. The situation is, in the main, conventional; but much more is got out of it than the usual run of pictures would lead one to expect. Then it has not only been acted with truth and naturalness, but also with abandon. We have never seen Lottie Briscoe to better advantage and for that matter seldom even Arthur Johnson. All the supporting characters, Howard Mitchell as the man who attempts to seduce the attorney's wife and who is shot by Carl Brandt, a workman and Florence Hackett, his wife, all stand out with real life in their veins. The photography, sets and backgrounds are perfect. Miss Graham will be heard in new songs. Tomorrow will be shown Sidney Drew in "The Still Voice," a Vitagraph special feature in two reels.
